If any of these items are found to be in Rowling Container, Inc. dumpsters' the renter of the container will be liable for any extra cost incurred by Rowling Container, Inc. for disposal of such items. If any of these items are found to be in the container before it is picked up, Rowling Container, Inc., and its employees, may refuse pick up of the dumpster until the items are removed by the renter. Such items can be extremely pricey to be disposed and hazardous to the health of those handling it and to the environment. So we suggest you not include the items in the container.

Appliances are taken with prior arrangement only.

Concrete, Bricks, Asphalt, Clean Soil, Rock, Sand, Stone, or any dense material can be taken but with prior arrangement. DO NOT put these items into the dumpster along with other debris. They cannot go to the landfill and any fines or fees for separation of material will be paid by the customer. Mixed loads such as and including garbage and shingles, electronics and concrete, or construction debris and dirt are not allowed in the dumpster. If a mixed load occurs, the renter will be charged \$50.00/hour for labor to separate the load.

#### **Contents of Roll-Off Dumpster:**

Contents of roll-off dumpster are the responsibility of the customer. If someone dumps material into your container you are responsible for whatever it may be, and for any and all charges related to the hauling and proper disposal.

#### **Do Not Overfill Roll-Off Dumpsters**

Dumpsters can only be filled to the top of the rim. Material over the top is potentially hazardous to our operators and other vehicles on the roadway. Some cities issue fines, which will be charged to your account. We will not pick up a container if it is overloaded.

#### **Overweight Roll-Off Dumpsters:**

Dumpsters have weight limits as specified. All dumpsters are weighed at the disposal site. Loads over your quoted weight limit are charged additionally.

Be careful when loading. Dense material, only accepted with prior arrangements, will fill up to weight capacity before space inside the roll-off dumpster is used up. For example, brick, concrete, clean soil, asphalt, rock, sand and other heavy material can only be put in the dumpsters to the 1/4 way mark. We will not pick up a dumpster if our driver can determine it is overweight by any transportation related

laws and/or guidelines when they arrive at your site. In the event we receive an overweight violation while hauling your load, you will be billed the full amount of the violation and a surcharge fee.

**We Are Not Responsible For:**

Our drivers are considerate and careful and will make every effort to gently place your roll-off dumpster on wooden blocks; however, Rowling Container is not responsible for damage to driveways, lawns, sidewalk, curbs, other road surfaces or underground utilities in the path to the container. Additionally, any required permits or waivers issued by state, county or local municipality ordinances are the responsibility of the renter, not Rowling Container.

**Damage To Roll-Off Dumpster:**

You are responsible for any damage caused to the dumpster while it is in your possession. The renter shall not make any alterations or improvements to any container

**Accessing Dumpster**

The Container must be accessible for pick-up by the dumpster truck. Snow must be shoveled and cars and debris kept clear. We will always schedule or call prior to pick-up and placement so as not to inconvenience you.

**Returned Check Fee**

Checks returned for insufficient funds will be charged a fee of \$50 and cash will be required as a form of payment.

Signing the attached Customer Agreement of Terms of Dumpster rental form, acknowledges receipt of these instructions and a willingness to comply with same. Dumpsters will not be delivered without a signed agreement on file.
